Awana meetings are brimming with life enriching experiences for young people. They provide consistent positive instruction every week-training that stresses strong moral and spiritual values. Clubbers learn about the reality of God, the trust of the Bible and respect for our nation's freedom. Awana plants seeds of wisdom while youth begin the pain staking process of becoming responsible adults. As we start the new year, please help us plan for staffing and space needs by taking a moment to register your child and complete the necessary medical release form.
